

**Sell tickets to your event with us!**

CincyTicket.com is a ticket system with all the features you'd expect from a big, national company, but with the customer service you'd expect from a small, local company. We want to help you make your event as successful as possible.

**WHAT'S INCLUDED**

**General Admission or Reserved Seating**

*-With reserved seating, we can create an interactive seat map for you that allows your customers to select their exact seats online!*

**Delivery Options: Mail, Will Call, Print@Home, Mobile Delivery**

*-We take care of mailing tickets to your customers, so that you can focus on your event!*

*-No extra fees for Print@Home & Mobile Delivery, however we recommend scanning barcodes at the door if using this option.*

**24/7 Access to your information**

*-We provide you with a login so you can check your sales figures, download will call lists, and download patron information (like email addresses) any time you want!*

**Phone and Outlet ticket sales**

*-Your customers can order online or by calling our 800 number. You can also choose to have tickets available at our ticket outlets at Shake It Records, The 86 Club, and the Madison Theater.*

**Facebook Page ticket sales**

*-Sell tickets right from your Facebook fan/business page. Customers buy without leaving Facebook!*

**Even more features**

*-Unlimited coupon codes, price categories, seat holds, password presales & more.*

**WHAT'S COOL**

**Everything is in real time and automatic**

*-When you pull reports, they are up to date to the second. This means you can keep sales going longer and print your will call list right before the event.*

*-We pre-set capacities, on-sale times, off-sale times, and price changes. No worries about over-selling or waiting on someone to turn sales on or off.*

**Exposure**

*-Your event will get increased exposure to all the people visiting our website for other events.*

*-We'll include your event in our email newsletter, which goes to over 40,000 local event-goers.*

**PRICING**

**It's completely FREE for the event promoter**

*-There is no fee for you (the promoter) to use our service. You receive 100% of the ticket price.*

*-We charge the customer a per-ticket service fee that covers our costs, including credit card processing. The fees depend on the ticket price, but are among the lowest in the industry!*

*-If offering tickets by mail, we charge the customer \$1.50 for 1<sup>st</sup> Class Mail or \$6.95 for Priority Mail. The charge is per order, no matter how many tickets are ordered.*

**FREE for Promoters  
LOW FEES for your buyers**

**HOW IT WORKS**

**Submit your event**

*-Send us your event details through our website or email them to us, along with an image, and we'll have you up for sale within 24 hours. No crazy, long-term contracts!*

**Payment**

*-We pay you by check or direct deposit the business day immediately following your event. No waiting for weeks to get paid!*

**EXTRAS**

**Ticket Printing**

*-Need printed tickets for your own use? We offer barcoded, industry-standard thermal tickets with embedded security features and a perforated stub for just \$0.10 each with no minimum order.*

**Equipment/Personnel packages**

*-If you want to scan barcodes at the gate or take credit cards at the event, call us for a quote on renting equipment or having us bring equipment and do it for you. That's right – we can come to your event!*
